

RED MARE WINES

Napa Valley . La Vaquera

Vintage 2015

90 Points

JEB DUNNUCK

The 2014 La Vaquera checks in as a blend of 58% Petite Sirah, 32% Petit Verdot and 10% Malbec. As you'd expect given the blend, it's a glass staining purple color and offers exotic, huge notes of blue fruits, graphite, flowers, and charcoal. Ripe, full-bodied, firm and angular on the palate, it packs tons of fruit and texture, is a terrific steakhouse red, and should keep for 10-15 years.

91+ Points

The 2014 La Vaquera is a blend of 58% Petite Sirah, 32% Petit Verdot and 10% Malbec. As one might expect, this wine is as dark as a moonless sky. Notes of earth, blue fruits and violets lead to a massively extracted, rich, full-bodied wine, but surprisingly, it has no trace of rusticity or harsh tannin. It is a big, juicy fruit bomb and will develop and age for at least 15-20 years., given its composition. This is an intriguing wine, and it's probably worth putting a few bottles away for what I predict will be wonderful surprise in 12-15 or more years.
