Designed to present a measure of austerity and refinement, with a trim entry, lively acidity and vibrant notes of red and dark berry, underbrush and herb. Ends with detailed, fine-grained tannins that keep the flavors on track. Best 2018-2019

Interesting aromas of tar, asphalt and blackberries follow through to a medium body, soft and velvety tannins and a dry and fresh finish. Drink or hold

The Blackberry and bark character here is impressive, and it opens up to a full body, chewy tannins and tight center palate. Give it two or three years to open
